SOCIAL AND POLITICAL ACTIVITIES

A research-activist project about the war in Ukraine 2022

[online, 24/02/2022 – Current]

Together with colleagues from the European University at St. Petersburg, we launched a research-activist project called "The Science of Dreams". We are collecting the dreams Russians have had since the beginning of the war. Based on the results, we are currently writing an article and have received a foreign grant for further development of the project. In addition, a research performance is planned for the future, which will have a therapeutic effect.
